

Thank You

To all the businesses who are supporting Shelter this Christmas – a very big thank you.

On Christmas morning more than 1.6 million children will wake up in housing that is run-down, damp or overcrowded – and the credit crunch is making it harder for people to keep a roof over their heads. Demand for Shelter's help has increased fast and

this is why we launched our Big Build Up to Christmas appeal to raise £1.3 million. Find out more at www.shelter.org.uk/christmas. Without the generosity of companies such as those featured here, we cannot continue our work.
